FTA | LAW

Speakers

Objectives

- To provide an opportunity to learn about the current state of the dental market.
- To understand more about the legal process when buying a practice, different type of acquisitions, & the Due Diligence process.
- To develop a greater understanding about employment law & staff management regulations.
- To provide information on buying a practice and the best ways to secure finance.
- To provide an update on the latest budget, tax changes, incorporation as well as the different structures used to buy and sell a dental practice, making tax digital and Xero.

Programme

- 6.00pm Registration
- 6.30pm Welcome and Talks
- 9.00pm Networking
- 10.00pm Close

Thomas Coates

Managing Director, FTA Law
 Thomas is a corporate solicitor specialising in the sale and acquisition of dental practices, practice incorporations, commercial advice and drafting the full range of commercial agreements applicable to practice ownership including Expense Share, Shareholders Agreements and Partnership Agreements. Thomas has acted for dentists and practice owners for many years providing advice across the sector to everyone from sole practitioners to dental corporates, from first time buyers to retiring practice owners.

Sarah Buxton

Employment & HR Solicitor, FTA Law
 Sarah specialises in employment law for the dental and healthcare profession, including drafting associate agreements, self-employed hygienist and therapist agreement, contracts of employment and staff handbooks. Sarah also advises on the day to day HR and employment issues that a practice owner is often faced with and is also on hand when matters go wrong representing both employer or employee in the Employment Tribunal.

Karen Wicks

Partner, Humphrey & Co, Chartered Accountants
 Karen joined Humphrey & Co in 2007 having completed a Law degree at the University of Leeds where she focused on both company and business law. She went on to become a qualified Chartered Accountant in 2010. Karen is a partner and healthcare specialist accountant for the firm. She lectures to VT groups across the country, provides financial updates for some of the largest banks and has also given Section 63 seminars on tax and finance to dentists.

David Brewer

Managing Director, FTA Finance
 David has a long established reputation of funding in the healthcare sector and has been involved in the sale and purchase of dental practices for over 25 years. He has acted for thousands of healthcare professionals providing guidance and advice and has developed a strong reputation for delivering a reliable, pro-active and friendly hassle free service. With many contacts at the major banks and specialist healthcare providers, David is able to source a wide range of funding packages specifically tailored for healthcare professionals and his advice and knowledge can and will make all the difference when applying for finance.
